BMS - Human history has never had as many forcibly displaced people as we do today. People have lost homes, jobs, family connections, faith communities and more. In the midst of this, churches can be a place of welcome, new beginnings and hope. **PLEASE PRAY** that our church will be a place of welcome and friendship for diverse peoples, including those who may have been forcibly displaced. Pray that fear and discomfort will be replaced by love and an adventurous spirit. **AMEN**
