Almighty Father, as we remember two years ago,  
 your world began to change as the Covid pandemic took hold.  
 Setting your world on a path we could never have imagined,  
 a rollercoaster of fear and despair.  
 We thank you for being with us every step of the way.  
 We thank you for the times when we witnessed the best of humanity;  
 for all those who selflessly worked to save lives, for all those who produced  
 vaccines and kept your world running.  
 We thank you for those who raised spirits.  
 For every time you sent someone in our path to lift us up.  
 Jesus, we give thanks and praise; for every day you helped us to carry on  
 when the tunnel was long and the light at the end of it dim, we praise your holy name.  
 Father, thank you that you changed, your world and we have been changed too;  
 help us Holy Spirit to take what we have seen and learned to bring light to your  
 gospel.  
 Amen.

Mon	Carole Adams
Tues	Shola Agbeyangi

Thurs	Ivy Ampofoa
Fri	Naana Ampofoa

The way God designed our bodies is a model for understanding our lives together as a church: every part dependent on every other part, the parts we mention and the parts we don't, the parts we see and the parts we don't. If one part hurts, every other part is involved in the hurt, and in the healing. If one part flourishes, every other part enters the exuberance. 1 Cor 12:26
