HELLO FROM REV BILL

Hello Everyone,

I feel privileged to be asked to lead the services whilst Pam is away on Sabbatical. I look forward to speaking to you in your lovely building on Sundays from now till the 19th November. Of course, I know that the building is not really the church but the people who attend.

Let me introduce myself. I am a retired Baptist minister living in Woodmansterne and married to Tricia. We have three married children and six grandchildren. I used to enjoy sailing and painting but now relax by walking in the countryside near home and redesigning my model railway and helping out around the house.

I expect you recognise, as I do, how our anxious world is today. I hope together we may be good news people bringing hope and faith to others because we love and support one another with the Lord's help. I look forward to getting to know you.
